Evaporator Coil

Condenser Coil

Truck Air Conditioner Specifications :

Remote Control : Yes

Input Voltage : 24 vdc.

Rated Input Power : 300-900 w.

Current : 30-40 amp

Auto Cut Off (21.5v.) / When the power system is insufficient

Cooling Capacity : 2400w / 9000 BTU

Refrigerant Type : R-134a (Volume : 600g)

Weights : 4 kg (Evaporator) | 12 kg (Condenser)

Price : 15,900 THB

Installation : Free

Warranty : 6 months

Usage & Benefits:

-Operates with the Engine Off : Provides a comfortable resting environment without the need to idle your truck.

-Extended Run Time : Operates for up to 4-6 hours (based on two 120 Ah batteries). Note: actual run time may vary depending on battery condition.

Low-Voltage Protection : The unit will automatically shut down and display error codes E101 or E104 when the battery voltage is too low. To resume use, simply restart the truck engine to recharge the batteries.

- Significant Fuel Savings : Save up to 5,000 THB per month on fuel costs, depending on your vehicle model and make.
